

Reboot // Greed Discussion Guide

Ice Breaker:

Have you ever been to Las Vegas? If so, did you enjoy it? Why or why not?

Starters:

Did anything in the sermon stand out to you?

Make it personal:

Do you think the workers who worked all day had a legitimate "gripe" about the landowner paying all workers the same? Why or why not?

Can you think of anything that triggers greed or selfishness in you?

Can you remember a time when you felt particularly "greedy" or selfish about something?

Digging deeper:

Read Philippians 4:8-9

Is there something you set your mind on that may lead to greed/selfishness? Is there something you can set your mind on that will help you combat the human tendency toward greed/selfishness?
