What questions did it bring up for you?

#### **Making it personal**

In what areas of life are you tempted to envy - that is compare your (or your story) to other people or their stories?

What kinds of situations in life trigger this kind of comparison?  
How does this affect you? What kinds of things help you get out of the comparison game?  
Are there ways you have to bring God into these situations?

#### **Digging In**

Read John 21:15-23 What's going on in this passage? What lessons can we learn from this interaction?

#### **Closing**
