

Reboot // Pride // Discussion guide

Ice Breaker:

What is an example of humility that you have seen in your life?

Getting Started:

What stood out to you about this weekend's message? What questions did the sermon bring up for you? What was most helpful?

Making It Personal:

Some cultural commentators say that in the US, the "self" is constantly being evaluated. Do you agree? What are ways that we see this in our context?

We defined the word pride as "thinking of oneself too much and not thing of God very much at all". Do you agree with this definition? Would you add anything?

Which of these "symptoms of pride" tend to show up in your life? How do you deal with them?

1. Social climbing
2. Judging others
3. What's in it for me?
4. But, I want to do this thing...
5. Unwillingness to be treated like a servant
6. Making decisions without involving God at all
7. Low view of self
8. Demanding or expecting respect
9. Building your own kingdom

Digging Deeper:

Read 1 Peter 5:6. Why do you think it's such a big deal to God that we humble ourselves? What happens if a person refuses to humble themselves?

Closing:

What is your plan to practice humility in your life this week?
